FACTS-Use of Force Reporting™

Price Schedule
Effective September 1, 2008

LICENSES

Server License	**$2500.00**
Includes database, one system administrator license	
User Licenses	**$100.00**/user
Per sworn officer (any staff who might be involved in a Use of Force incident) User licenses are sold in increments of 5-User packs	

Licensing Note: User Licenses must be purchased for every sworn officer who needs to track Use of Force incidents. To support the data-entry and reporting process of your agency, non-sworn administrative staff are provided with limited access, data-entry licenses at no charge.

SUPPORT

Annual Maintenance & Support purchased with User Licenses	**$15.00**/user
Includes direct support to agency system administrator and helpdesk, release upgrades and revisions. Must be purchased for all User Licenses in a database. Refer to the Maintenance and Support Plan for complete description of services	
Annual Maintenance & Support purchased separately from User Licenses	*$20.00/user*

TRAINING

Onsite "Train-the-trainer" Training	**$1000**/day
Includes Train-the-trainer for the agency system administrator, helpdesk staff and supervisory staff.	*plus travel*
Online Tutorials	*no charge*
